Abstract

- How \$5-10M in annual Defense Appropriations funds are spent on CEROS Ocean/Maritime R&D projects in Hawaii and, more importantly, how can I be part of it?
- Who is eligible for funding?
- What are the CEROS priorities?
- What is the solicitation process?
- What is the selection process?
- Who are the stakeholders?
- What oversight is provided?
- What is the 'secret' formula for a successful contract award?
- What are some of the recently completed projects?
- What are some of the ongoing projects?
- What projects are presently under consideration?
